# International English for Speakers of Other Languages

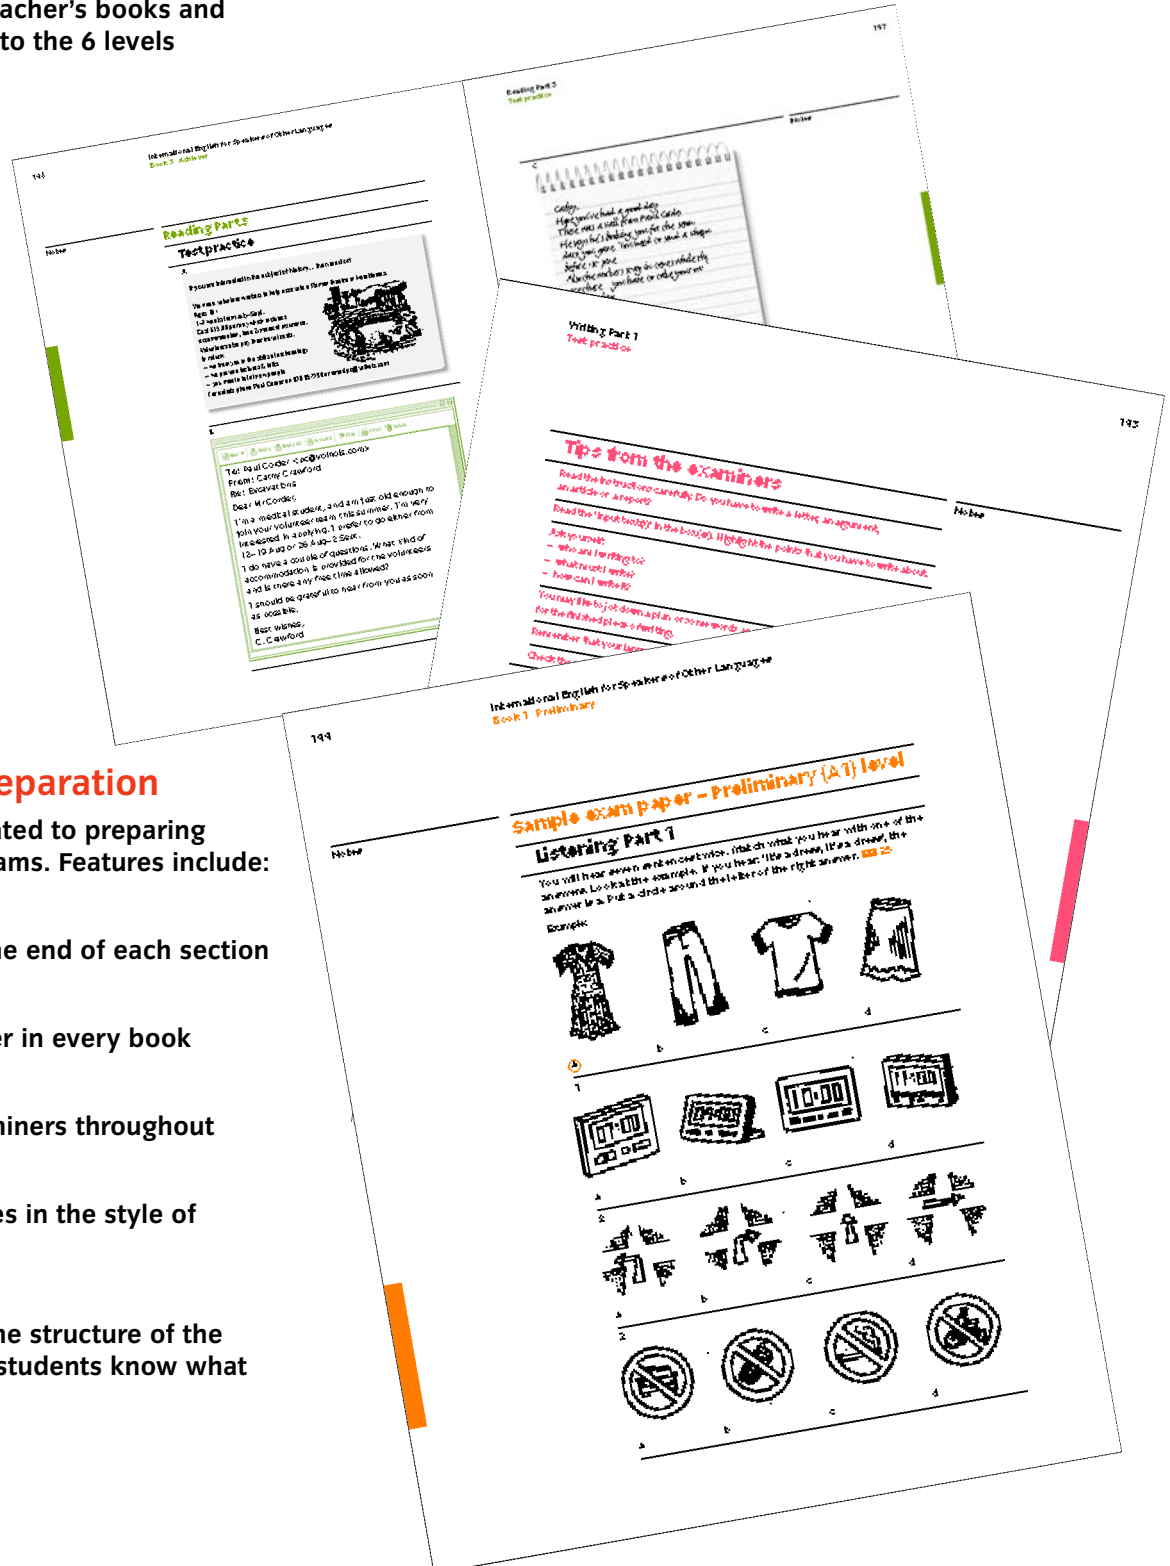

Get your students ready for exam success

Vincent Smidowicz,  
Bridget Bloom and  
Felicity O'Dell

# Make sure your students are fully prepared

## Student books, teacher's books & CDs

- 6 student books, 6 teacher's books and 6 CDs, each mapped to the 6 levels of the qualification

## Focused exam preparation

- The books are dedicated to preparing students for their exams. Features include:
  - Test practices at the end of each section
  - Sample exam paper in every book
  - Tips from the examiners throughout
  - Numerous exercises in the style of exam tasks
- Directly mapped to the structure of the exam, ensuring that students know what to expect

## Authoritative

- Our expert authors have taught, developed and examined the International ESOL qualifications. They understand the exams and how best to prepare for them

# Give your students exam confidence

## Time-saving

- Designed to save time and effort, providing teachers with relevant and useful support materials for each level of the exam
- The Teacher's Books contain all of the information in the Student Books, along with answers and teaching suggestions
- Clear syllabus guide and grammar, topic and function lists for each level in the Teacher's Books
- Audio CDs provide a wide range of Listening exercises, in natural, spoken English, created to match each level of the exam

## Engaging and fun

- The books are flexible and easy to navigate – tutors can adapt/use them regardless of class sizes and learning requirements
- The layout, pictures and graphics are bright, bold and appealing, making the materials and classroom activities engaging and fun

# 10% discount on classroom sets

Mapped to the 6 levels of the award, the City & Guilds International ESOL support materials offer valuable test practice and are designed to aid confident test performance.

You are invited to take advantage of a special **10% discount** on sets of a single title. This offer applies to classroom sets of 10 copies of a single student book; or centre sets of 5 copies of a single teacher's book or CD. Smaller quantities can, of course, be purchased at the non-discounted price.
